DESCRIPTION

AIR CONDITIONING

# The Slimmest in the market!

**SlimFIT** is the lowest compact standalone air conditioning unit in the market for on-road trucks. It is the perfect fit for high cabs vehicles, powered directly from the vehicle battery, roof-top mounted and only **11,6 cm** high.

**FEATURES:**

- Available in 24V
- Roof top mounted
- Electronic control panel
- Digital thermometer in °C or °F
- 5 ventilation speeds
- Low maintenance
- Remote control by radio-frequency (RF)
- Pre-charged with R134A refrigerant
- Double battery protection

# The solution to the height restrictions!

## Benefits that make the difference

Fuel savings

Driver comfort

Improves road safety

Environmentally friendly
